FOOD WASTE COMPOST TRAINING
on your farm and in your community

one day only training event August 20, 2015
at the Center for Energy and Environmental Education, University of Northern Iowa, Cedar Falls, IA

If you're a farmer, landfill operator, or simply interested in composting at home, you won't want to miss this event! Learn the fundamentals and key variables of the composting process, and how you can incorporate food waste!

Early Bird Registration
$20 is through June 30th!

more information at iwrc.org/compost

We would like to extend a thank you to the Office of the President at the University of Northern Iowa for presenting this event.

We are excited to be working with the U.S. Composting Council to bring this official event to Cedar Falls!
