Honey

Bagge Strawberries
Independence
2029 170th St
Independence Farmers Market
We began producing strawberries 16 years ago as a way to involve our children in agriculture. Now our farm has blossomed from 2 acres of berries to 32 with the help of our children every step of the way. We love living and farming in Northeast Iowa and believe our berries are a delicious taste of what this beautiful area has to offer. Come visit us and enjoy picking strawberries fresh from the plant!

**HOW DO YOU BUY LOCAL MEATS?**

Purchasing meats from local family farms allows you to know what the animals were fed and how well the land and the animals were treated. You may buy a whole or a part of an animal. Simply call the farmers and locker owners listed here to discuss your needs, price, & questions.
