

Support the Farm to Fork Dinner

Sponsor this event and help us raise money for the Local Food Program at UNI-CEEE

Event date: February 3, 2027

Sponsorships requested by November 1, 2026

The Farm to Fork Dinner celebrates community, sustainability, and our region's vibrant local food system. Proceeds directly support our work to build a stronger, more accessible regional/local food system.

Through programs like Veggie Vouchers, Nourish Iowa AmeriCorps VISTA, and Value Chain Coordination, we are growing something bigger than food. We're creating a stronger, more connected Cedar Valley. Every day, we work alongside farmers, schools, businesses, and community partners to make local food easier to find, easier to enjoy, and easier to access.

Your sponsorship covers event costs so every ticket sold goes straight to our program and fills gaps not provided by grant funds.

Together, we can grow a healthier, more resilient Cedar Valley.

Sponsorship levels: \$400 to \$5000

Contact: jodie.huegerich@uni.edu

To submit a sponsorship, please scan the QR code to complete [this form](#) and our staff will be in contact regarding next steps, including payment fulfillment.
